Protect Your Business From the Threat of Wildfires

Emergency Contacts
Develop a complete and current emergency contact list with all phone numbers of employees, to include all emergency phone numbers for Emergency Management, Police, Fire, and EMS.

Wildfires are no longer a localized issue — they’re a worldwide concern.

Cut off low hanging branches on trees.
Maintain a 50-100 ft.* safe zone from brush, fuel tanks, other combustibles, and parking lots.

Maintain access to all automatic sprinkler control valves and fire hydrants.
Maintain free and clear access to facility.

Identify all fuel and power shutoffs.

Emergency Supplies
Maintain a stock of basic emergency needs: drinking water, food supplies, flashlight, batteries and first aid kit.

Critical Documents
Back up all critical documents and electronic data to an off-site location.
