Safety insights for mission success

Protecting organizations that put others first

Child abuse prevention month

April is dedicated to promoting the safety and well-being of children. To support your mission, resources are available on our Day Care and Child Care page.

Help prevent child sexual abuse

In the U.S., roughly 1 in 10 children will be sexually abused before they turn 18. Take these steps to help protect your clients and safeguard your business.

Child care safety: Make every moment matter

Use these child care resources to help make everyday moments safer for children.

Hired and non-owned vehicles

Take steps to reduce your liability when employees and volunteers drive their own vehicles on behalf of your organization.

Fire doors protect property and lives

When used and maintained properly, fire doors can help save lives by limiting the spread of fire and smoke.
